

Does your child currently wear contact lenses to slow the progression of their nearsightedness (myopia)?

Ask about the myopia registry study being conducted at this office.

Your child may be able to help expand our understanding of how children wear contact lenses. If your child qualifies, compensation will be provided for completing brief surveys during regular visits with your study doctor.

8-12 years of age

7 visits over 3 years

Compensation up to \$450 for completing all study visits.

Contact Nancy Boesch at 561-965-7600 or email info@planetvision-eyecare.com for more information and to see if your child is eligible today!
